1 - 1 Instrumental Lesson - Parent
Information Pack and Enrolment Form

1-1 Instrumental Lessons

Lesson format

We provide 10 x 30-minute lessons per term in a choice of:

- Guitar (Electric or Acoustic),
- Singing
- Ukulele
- Drums

Cost

Lessons are charged at £22 per lesson and can either be paid in full (£220) at the beginning of the term or in 2x instalments (of £110) at the beginning of each half term. Invoices will be sent out at the end of each term, for the following term. For new starters, an invoice will be provided before your child's 1st lesson.

Instruments

To get the best out of their tuition, it is expected that students have their own instrument for home practice. We will happily provide details of where to purchase or hire these instruments if needed.

For drum lessons, there is a drum kit set up in the teaching room. Students should bring their own sticks, and we are happy to provide details as to where to purchase these.

Grade Exams

Grade exams are a great way to formally recognise progress, and all students will have the opportunity to sit a grade exam each year. We enjoy an established partnership with RSL Awards (Rockschool) and recommend their syllabus for all students.

Coursework Material

All students will be given access to the course materials for their instrument via our web-portal, from which you can download all the materials required for lessons and for home practice. Web link and password will be issued upon enrolment.

Timetabling

Lesson timetables will be provided to the school at the beginning of each term. We will do our best to rotate all students, so they do not have the same time slot more than twice in each half term to avoid missing the same lessons.

Notice Period

If your child wishes to stop lessons, then we require a full half terms notice.

Missed Lessons

In the event of teacher absence then we will do our absolute best to provide an alternative teacher for the day. If no teacher can be provided, then the lesson will be made up during the course of that term at a 'make up day'. If this is not possible, then a credit will be issued for the following term.

In the event of student absence due to sickness, all lesson content and practice details will be made available to the parents that same day. If a student is absent for more than 2 lessons in a row due to longer term sickness that prevents them from physically playing their instrument (Broken arm etc) then a credit note will be issued for the following term.

If a lesson needs to be cancelled for any reason, then please email us at **info@no7music.com** with at least 24 hours' notice. If less than 24 hours' notice is given, then that lesson will be forfeited.
