Fairness Activists Assembly:

Our Fairness Activist Leads delivered their first assembly this week, focusing on the theme of body confidence. They shared several key messages with the children, including:

- Focusing on what your body can do
- Accepting and feeling happy about the way you look
- Valuing your unique qualities
- Respecting and appreciating your body
- Accepting the things you may not like

The children were also given the opportunity to practise rephrasing negative comments into positive affirmations, helping them build confidence and celebrate what makes them unique.

Sports News: Netball

Our first league match against Markyate yesterday, 6–0. A brilliant start to the season and a performance worth celebrating!
